

ENGLAND & the GOODWOOD REVIVAL, 2009

the Greatest Show on Earth

ENGLAND & the GOODWOOD REVIVAL

The World's premier Historic Racing event. Every year Lord March produces a magnificent, unique weekend. The Goodwood circuit returns to its roots of a WWII Spitfire base through its magnificent car racing period of the 40's, 50's and 60's. Marshalls, staff, garages and cafés are all staged in correct period and most of the public 'dress' for the occasion. This is nostalgia personified – fabulous racing cars with a generous helping of vintage Spitfires, Mustangs, B17's and Lanacasters. Only the Brits can pull this off!

Our tour starts four days prior to the event with visits to car factories, collections, race preparation shops and the magnificent scenery of the English Cotswolds countryside. The four days at Goodwood include a number of private events including Lord March's cricket match at Goodwood House with the famous Spitfire fly-by, car museums, classic car auction and, of course, brilliant racing. Our VIP Hospitality Suite offers continuous food and beverages and is situated on the main pit straight allowing for superb viewing. During the weekend there will be a steady stream of top drivers and personalities visiting our Suite and joining us for dinner. Once again, Alan DeCadenet will be hosting our paddock walkabout.

TOUR DETAILS
